## OUR MISSION

Founded in 2018 by Anjul Chandi and Mark Bailey, Thinkspace outfits the work environment with essential, beautiful and fun furniture. A vibrant woman-owned company, Thinkspace is dedicated to bringing life back to today's workspaces.

The company distributes cutting-edge acoustic workspace solutions for focused work, meetings, and collaboration as well as unique and fun products dedicated to employee wellness.

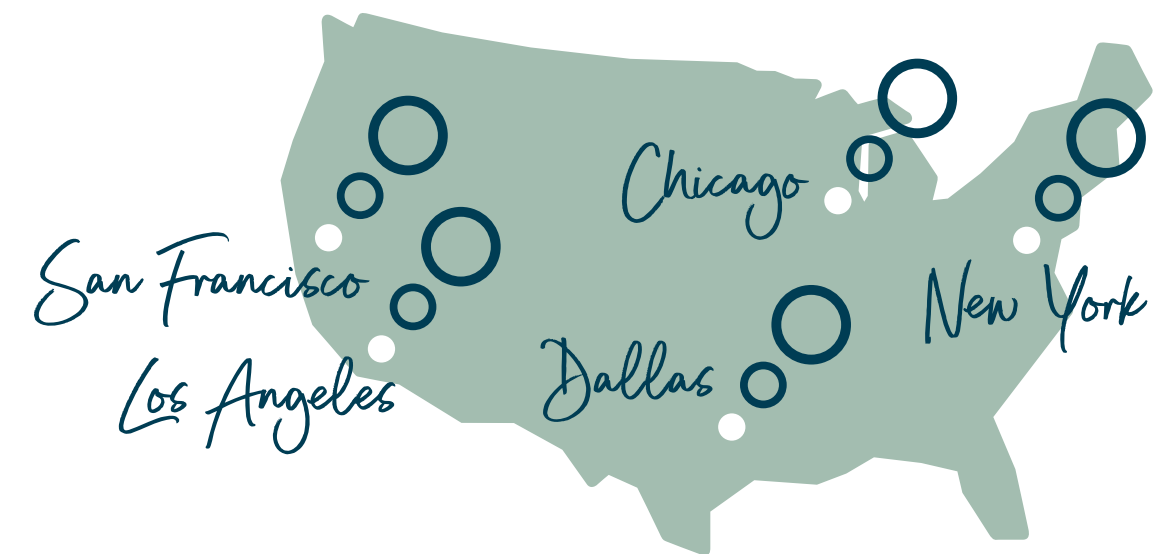

welcome

## EUROPEAN DESIGNED AND MANUFACTURED

All of our products are European designed and manufactured. Over the past 5 years, we've become known as a fast growing, innovative, service-oriented leader in the acoustic booths and pod category. Our products are offered to market by over 300 office furniture dealers located throughout North America.

In addition to our standard factory direct lead time, we offer customers the opportunity to purchase from our ThinkFast Quick Ship Program, where our most popular acoustic booths and pods ship within 7 business days from one of 5 strategically located warehouses in the United States.

## PRODUCTS TO BRING LIFE BACK TO THE WORK SPACE

As the office landscape continues to evolve and change, so is Thinkspace and our product offering. With strong European connections and colleagues, we maintain a pulse on what's new, what's innovative and what's offering a unique perspective to solve real challenges in the North American workspace furniture market.

Our product categories include:

*Work Space*

*Meeting Space*

*Fun Space*

*Wellness Space*

Our product offering will continue to expand while we remain focused on offering a world-class customer experience for our end-users and dealers.

# Work Space

## BRING FOCUS BACK TO THE WORK SPACE

As employees return to work their needs have evolved. A place to focus in an open plan office is a must. An area to take a personal phone or video conference is expected. Thinkspace work space solutions are an easy add on to any office space with minimal floorplan disruption.

## WORK SPACE SOLUTIONS FOR ONE TO TWO PEOPLE

Acoustic workspace solutions for focused work are becoming an essential element for today's worker. A space to go for focus and tranquility. Our solutions drown out the office noise and provide audible privacy to the user, boosting confidence, performance and productivity.

Work Space

## MEETING SPACE SOLUTIONS FOR ONE TO SIX PEOPLE

Meeting spaces for in-person meetings and hybrid video conferences are in demand. Thinkspace's acoustic meeting spaces offer teams visual and audible privacy to connect in person and enjoy creating and inspiring each other once again.

Meeting Space

A vibrant office scene where several people are celebrating. In the center, a man with a beard and a white shirt has his arms raised in a shout of joy. To his left, a woman in a red blazer is also cheering with her arms raised. In the foreground, another person is holding up a large document with a yellow sticky note. The background shows a modern office interior with glass walls and wooden accents.

*Fun Space*

BRING FUN BACK TO  
THE WORK SPACE

Isn't it time we had more fun and found more joy in the work space?  
We think so! One of our goals is to add more 'fun' products to our portfolio  
to add more unexpected whimsy and happiness to the work landscape.

## FUN SPACE

Fun furniture that moves. Accessories that bring back happy memories from your youth! We're adding fun products to our portfolio to make you and your work space smile.

Fun Space

**Basketball**  
Fun Pouf

**Box Lounger**  
Sound Absorbing Chair that Swivels and Moves with You

# Wellness Space

## BRING HOLISTIC WELLNESS TO THE WORK SPACE

We certainly juggle a lot at times, don't we? From managing life, kids and business we often forget to take a break and focus on our wellness. These products are designed to help you take a deep breath de-stress and rejuvenate!

**GreenFrame**  
Floor Screen with Lighting for Happier Plants

**JungleWall**  
Biophilia Design and Acoustics in one Dynamic Product

**HushGreenWall**  
Add Life and Color to your Acoustic Booths

**Neuron Activation Pod**  
Wellness Technology, Promoting the Body's Natural Healing Abilities

## WELLNESS SPACE

Wellness is the wave of the future in work spaces. Offering spaces that invigorate and rejuvenate the body and mind benefit every work environment. Implementing live greenery and appreciating each stage of growth. Applying acoustic greenery that reduces office sound and calms at the same time. Take a 15-30 minute break in neuron activated furniture. The low frequency vibration brings you to a meditative state and restores your body with it's natural healing abilities.

Whatever your wellness flavor, Thinkspace has a solution!
